

# Thank You

## Summer Halvorson

Kennebec, SD

Thanks for being my witness on the Iron Butt Association SaddleSore run I completed on August 8, 2002.

Should you be contacted by the Iron Butt Association for confirmation of my ride it would be greatly appreciated if you responded. Without your help they might not certify my ride.

I failed to get your signature on the next page of my witness form. Please sign where indicated and return mail in the self addressed stamped envelope. In addition, I need for you to confirm the fact that when your gas pump printed 6:01 am it was really 7:01 am.
